Stand: 66  **University of Liverpool**

Postgraduate study at the University of Liverpool offers you the opportunity to strengthen your prospects in a globally oriented, research-led environment with an international reputation for excellence. The Times ranks us as the 15th largest research university. Our programmes achieved the highest rating from the Arts and Humanities Research Council and as a student you will benefit from flexible learning, world-leading facilities and graduate support systems that are among the best in the UK.

Visit the stand or refer to the website. [www.liverpool.ac.uk](http://www.liverpool.ac.uk)

Stand: 21  **University of Reading**

As an internationally renowned institution and one of the UK's leading research-based universities, the University of Reading offers you an excellent environment for your postgraduate studies.

We offer over 150 taught postgraduate courses, and our 7,500 postgraduates benefit from excellent career prospects and a thriving graduate community.

For our master's courses, you are normally required to have a good undergraduate honours degree (or equivalent from a university outside the UK). If you have other qualifications and a number of years' relevant work experience then you may also be eligible.

University of Wolverhampton

Our postgraduate curriculum prepares graduates for opportunities to lead the pack in the professional world.

Postgraduate study with us isn’t just about giving you a qualification to progress your career or develop your knowledge; it’s about making you an expert in your field, giving you the confidence to go out and share what you’ve learnt. Our full list of postgraduate courses can be found at: [https://www.wlv.ac.uk/courses/postgraduate/](https://www.wlv.ac.uk/courses/postgraduate/)

All postgraduate qualifications at the University are subject to entry requirements. These are necessary to ensure that you have the knowledge or experience to provide a good base to study at postgraduate level. Full details of our entry requirements can be found at: [www.wlv.ac.uk/study-here/postgraduate-study](http://www.wlv.ac.uk/study-here/postgraduate-study)
**Stand: 46   University of York**

Join a community of nearly 4,000 postgraduate students at a research-intensive Russell Group university.

Recently the university has seen a period of significant growth and our investment in new colleges, teaching and learning space, laboratories, research facilities and a new sport village mean it has never been a better time to join our student body or research groups at York.

Taught Masters (MA/MSC/MPA/LLM, Masters by Research) PG Diploma and PG Certificate, MPhil, PhD

Typically you would need at least the equivalent to a UK upper second class honours degree (2:1). However some courses will accept lower second class honours degrees (2:2) combined with relevant professional experience and/or vocational qualifications.
