## **Manchester Graduate Talent/Student Experience Internships: Stands 18/19**

The Manchester Graduate Talent (MGT) scheme offers paid, graduate-level jobs and internships to students graduating from The University of Manchester. We advertise roles with a range of organisations based in Manchester, from start-ups to multi-national firms. MGT also offers graduate internships within the University. These jobs give you the opportunity to gain experience and network whilst staying in Manchester. They cover a variety of sectors and the majority are open to any degree discipline.

The Student Experience Internships (SEI) scheme offers paid, full-time internships for pre-final year students. All internships are based in Manchester either within the University, in a charity/not-for-profit organisation or a small business. Internships last up to 8 weeks over the summer break and provide a great opportunity to build your experience and develop your skills.

## **Peer Support: Stand 11**

At the Peer Support stall, students will be able to register their interest in becoming either a Peer Mentor or a PASS Leader (dependent on scheme) for 2019/2020. By becoming a Peer Mentor or a PASS Leader, students will see many benefits through the skills they acquire, the connections they make and ultimately the person they become. These attributes are a great way to boost a CV, and being active in role as a Peer Mentor or PASS Leader counts as one of the roles for the 'Step Up and Lead' section of the Stellify Award!

Peer Support will be delivering training sessions for new Leaders and Mentors and they will be beginning around mid-Semester 2 - students who register their interest at our stall will later be notified about when our training period begins!

## **Tutor Trust: Stand 23**

The Tutor Trust are a Manchester-based charity that provide tutors to disadvantaged pupils in schools across Greater Manchester. We are looking for bright, enthusiastic and well-motivated people to do paid work as Maths, Science and English tutors in Primary and Secondary schools. Tutors are paid for their work (between £12 and £19 per hour). Our tuition is delivered either on a 1:1 basis or in small groups. The maximum size for a group is 3 students. This is a great opportunity to gain vital professional skills whilst doing something fun and rewarding. The majority of our tutors are undergraduates hoping to build their CVs and give back to their communities in a time-effective way, but some are graduates tutoring full-time. You don't need to have teaching experience, just passion for a subject and the ability to communicate well. Applications can be filled online via
